Dear Council,

PLEASE STOP...To consider allocating a \$500,000 budgeted contract with the Humane Society to house "homeless pets, for the homeless" for \$30,000 a year for a two week stay in Carlsbad, is stunning!

- The Homeless Outreach Team currently has not provided us the numbers for:
 1. the homeless who request to be housed;
 2. the mentally ill;
 3. the addicted;
 4. the expanding mentally ill and addicted homeless individuals within our city.
- Suggestion/Solution: IF, there is a demand to house "homeless pets" requiring the owner to take the pet to the Humane Society and render a deal where they can harbor their animal for a small fee. People have no appreciation when services are offered at no cost. Give them the opportunity to help their pets.
- The projects being created for the Homeless are only magnets! The reasons why the population of the homeless is climbing, along with crime, environmental and public safety concerns.

Thank you for your considerations,
